Dear Friends of Asia Frontier Outreach,

With all the news about the Coronavirus around the world, have you wondered about Myanmar, our children's homes, our pastors (Jesus Foot Soldiers, JFS) and Pastor Lu and family? I spoke with Pastor Lu a couple of days ago, and he has had **no reports of any JFS or their family members contracting the virus**. There is no illness in the children's homes. Pastor Lu and his family are well.

In a March 16, 2020, article in *The Irrawaddy*, Myanmar's English newspaper, reported having tested 121 people so far, but *none have tested positive*. (Do understand, this is just reporting on people who live near a health facility that could test them.) Strict 14-day quarantine measures have just been instituted for travelers entering Myanmar from other countries.

We can see God's hand on the ministry, since for the past 6 months Pastor Lu has been providing **weekly online teaching for Jesus Foot Soldiers**. And he is currently working in a studio recording 215 messages teaching through the Bible, Genesis to Revelation.

Pastor Lu and family are healthy. They are at home in Chiang Mai, Thailand, with no immediate travel plans. Stephen is with his parents and preparing to take his medical school entrance exam in April. Ben, a university student here in the U.S., has gone to live with his uncle in Denver since his school closed. He is continuing his studies online. And for AFO-USA? We already work from home and are prepared to have our board meetings online. **We are, as always, available to you for any questions or comments regarding Asia Frontier Outreach**.

How to Pray:

- Thank God for His protection over the children in our homes, caregivers, Jesus Foot Soldiers and families, and Pastor Lu & family. Pray for continued health and strength.
- Thank God for the resources we have in place for remote teaching and meeting together.
- Pray for the end to this pandemic. Pray for God's ultimate purpose to be achieved in the nations and individual lives.

Our prayer for YOU:

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. Philippians 4:6,7
